# DESTroyED my IMWe!

Not surprisingly, all the journalists in the London Times quit their jobs today. The Scotland Yard is investigating the editor for several misdemeanors. We have comments from the involved parts.

### FIND THE 10 DIFFERENCES

#### The Ultimate Find-Out-How-Tired-You-Are-After-The-IMWe-Test!

Did you get enough sleep during the week, or are you walking around like a zombie on rohypnol? Have a look on the two photos below and see if you are able to make out the differences. If you can find all 10, you can consider youself a superhuman. If you, however, don't manage more than 0-5, you're a stupid, inferiour, lame, dumb twit...it's as simple as that!

## To do list before IMWe 2008

Now that the secret is revealed and we all know that the next get together will be in a bazaar at Al'Mashewa, traveling back in time to the year 890, there are some very important things to do to be fully prepared for the adventure of your lifetime.

#### WE PROVIDE YOU WITH THE CHECK LIST:

- Shape up! You have a whole year for it!
   Once you get back from London, take up jogging, swimming, biking, etc... Your target weight: Take your height in cm, deduct 100 (if you are a guy) and 110 (if you are a girl): voila that is your target weight!
- As we know, it is pretty hot down at the bazaar, so some nice tan would be very appropriate – either buy a subscription to the nearest solarium, or spend a month in Nigeria!
- Get your belly pierced. And any other appropriate part(s) of the body...
- Get on with the belly dancing to be the dancing king/queen at the Caravanserai!
- Start writing from right to left!
- Forget monogamy! Polygamy is the name of the game – guys, start building your harems now!
- Improve your bargaining skills: may it be at the supermarket, hairdresser, bank or in bed!
- Don't forget to polish your lamp, however, keep some of the oil inside!
- Buy a snake (cobra preferably) and charm it! It will help you when it comes to hypnotizing the belly dancer of your choice!
- Turn up your heating to 35 degrees and start walking around half naked. Today.
