IMWe 2008 Programme

International Creative Workshop for Scouts

- For the whole week you choose a morning workshop where you work intensively in a small group on a project from arts, crafts, music or theatre.
- In the afternoons you have time to try many different things from arts to games and sports, brought from all over Europe and maybe by you.
- In the evenings there are events for the whole group, like performances, European evening, creative evening, concert, a night game, and the big final banquet party.
- Everything is set within a theme that sets the atmosphere, decoration and costumes for the week and is used throughout the programme.
- There will be the opportunity to explore the local surroundings of Rieneck on the day out.
- Of course in between the programme there will be time for relaxing, talking and singing with new friends from all over Europe.
- The international team will help you to establish contacts for further international exchanges.

We look forward to seeing you at
IMWe 2008!

Yours in Scouting,
The International IMWe-Team
