Intrigue at the Opera The Final Curtain

Vienna in 2009: The famous State Opera House is almost bankrupt.

**No time to mourn
the good old days!**

To keep the house running, we need your support! Work as a shifter, costumer, cloakroom attendant, director, author or composer... We need to get the Opera crowded to overflowing! The show must go on! Are you willing to help?

Behind the scenes, you will live a life amongst intellectuals and creative masterminds. But be warned, conspiracies lurk around every corner.

Envy and vanity poisoned this House, intrigues are luring the Opera on to destruction...

For the whole week you choose a morning workshop where you work intensively in a small group on a project from arts, crafts, music or theatre.

In the afternoons you have time to try many different things from arts to games and sports, brought from all over Europe and maybe by you.

In the evenings there are events for the whole group, like performances, European evening, creative evening, concert, a night game, and the big final banquet party.

Everything is set within a theme that sets the atmosphere, decoration and costumes for the week and is used throughout the programme.

There will be the opportunity to explore the local surroundings of Rieneck on the day out.

Of course in between the programme there will be time for relaxing, talking and singing with new friends from all over Europe.

The international team will help you to establish contacts for further international exchanges.

We look forward to seeing you at IMWe 2009!

**Yours in Scouting,
The International IMWe-Team**
