# EXPEDITION LOST

Secrets of the Forgotten Diary...

## PROGRAMME

For the whole week you choose a morning workshop where you work intensively in a small group on a project from arts, crafts, music or theatre.

In the afternoons you have time to try many different things from arts to games and sports, brought from all over Europe and maybe by you.

In the evenings there are events for the whole group, like performances, International evening, creative evening, concert, a night game, and the big final banquet party.

Everything is set within a theme that sets the atmosphere, decoration and costumes for the week and is used throughout the programme.

There will be the opportunity to explore the local surroundings of Rieneck on the day out.

Of course in between the programme there will be time for relaxing, talking and singing with new friends from all over Europe.

The international team will help you to establish contacts for further international exchanges.

We look forward to seeing you at IMWe 2010!

**Yours in Scouting,  
The International  
IMWe-Team**

Talang, 28th March

You are all alone, out there in this dark and godforsaken jungle. "You shouldn't have done that!", maybe your last thought... Strident skirts of some parrots disturbing the morning calmness of this land of no return.

You relight the campfire in order to be safe from those beasts, waiting for their breakfast just around the corner. Listen to yourself: your heart is beating like never before, the blood in your veins is running as wildly as the nature around you. Slowly you remember WHY you have to go through all this madness and exertions...

Get Prepared for the Adventure of  
your Lifetime!
